Maria,

That's fine with me.

Brittan Smith

Subject: FW: Inventory List

Hi, Brittan:

Don Smith has updated the SGH NBAI Inventory with it now showing 41 validated aircraft. Accordingly, I am going to use 41 as the 2016 based line (i.e., starting point) for aircraft for the forecast. If you have any questions, please let me know soon.

Thanks much,

M²
