TERMS AND CONDITIONS FOR USE OF PREMISES

GENERAL

It is the general policy of the City Commission that spaces within City Hall and the City Hall Plaza be used by local Springfield organizations if such does not interfere with normal City operations or requirements.

GUIDELINES AND REGULATIONS

1. Space may be reserved for use by any local Springfield organization by submitting a request to the City Clerk's Office on forms to be provided by the City.
2. Space which may be made available for use includes:
 - a) **CITY HALL PLAZA** (Does not include park areas at southeast and northwest corners of Core Block.)
 - b) **CITY FORUM CONFERENCE ROOM**
 - c) **CITY FORUM**
 - d) **ESPLANADE**
3. Space may be reserved on a first-come basis if it is not previously scheduled for use by City government departments, boards or commissions, or is not needed by such units. Reserving space during a particular year does not guarantee reservation of space during the same or a similar time in future years.
4. The City representative may deny use of space if, in his/her judgment, such use may be injurious to the facility, may overcrowd the facility, or may result in jeopardizing the health and safety of persons in and around City Hall.
5. Charges to be Assessed:
 - a) Normal charges will be made for the use of space in City Hall or the Plaza. All fees, including special charges, must be made at the time the application is submitted. Checks should be made payable to the **City of Springfield**. If the scheduled event is canceled and the City receives notice at least 48 hours in advance, fees will be refunded. If an event is canceled without 48 hours notice, fees, including special charges for overtime, will be forfeited. The Fee Schedule is as follows:

| | |
|-------------------------------------|------------------------|
| • CITY HALL PLAZA/ESPLANADE | \$25.00 per day |
| • CITY FORUM CONFERENCE ROOM | 25.00 per day |
| • CITY FORUM | 75.00 per day |

This rental charge is designed to offset costs for heat, light, air conditioning, normal electricity, and other incidental costs related to the facility.

- b) An additional charge shall be made to cover any special security or custodial costs involved. If the event is scheduled during non-business hours, the cost will be at the City's prevailing overtime rates. If, after the event, the City is required to clean up the area, the organization will be billed for time and materials required to return the area to its normal condition. Misuse of the facility or failure to clean up after an event will result in denial of future use by the Organization.
- c) A charge shall be made if use of the City sound system is requested. If the event is scheduled during non-business hours, the charge will be at the overtime rate of the City employee operating the system.
- d) An additional charge shall be made for use of the Plaza during hours other than normal business hours (8:00 a.m. to 5:00 p.m., Monday through Friday), if access to restrooms or other facilities are required.

6. Space will be furnished on an "as is" basis. The City will not furnish, set up, or take down chairs, tables, or other equipment. The person reserving space will be responsible for such arrangements. The City reserves the right to approve uses of any furnishings or equipment within the space which are not already placed within the area. Concrete tables and benches on the City Hall Plaza may not be moved. Picnic tables and equipment on the Upper Plaza may not be moved to the tiled Lower Plaza. The U-shaped table in the Forum may not be moved or rearranged unless special arrangements are made through the City Clerk's Office.
