The court may require the offender, under a community control sanction imposed under Ohio R.C. 2929.25, to attend and satisfactorily complete any treatment or education programs that comply with the minimum standards adopted pursuant to Ohio R.C. Chapter 5119 by the Director of Mental Health and Addiction Services, in addition to the required attendance at drivers' intervention program, that the operators of the drivers' intervention program determine that the offender should attend and to report periodically to the court on the offender's progress in the programs. The court also may impose any other conditions of community control on the offender that it considers necessary.

The court may impose a jail term in addition to the ten-day mandatory jail term. The cumulative jail term imposed for the offense shall not exceed six months.

In addition to the jail term or the term of house arrest with electronic monitoring or continuous alcohol monitoring or both types of monitoring and jail term, the court shall require the offender to be assessed by a community addiction services provider that is authorized by Ohio R.C. 5119.21, subject to subsection (k) of this section, and shall order the offender to follow the treatment recommendations of the services provider. The purpose of the assessment is to determine the degree of the offender's alcohol usage and to determine whether or not treatment is warranted. The purpose of the assessment is to determine the degree of the offender's alcohol usage and to determine whether or not treatment is warranted. Upon the request of the court, the services provider shall submit the results of the assessment to the court, including all treatment recommendations and clinical diagnoses related to alcohol use.

(a) No person shall operate a motor vehicle at a speed greater or less than is reasonable or proper, having due regard to the traffic, surface and width of the street or highway and any other conditions, and no person shall drive any motor vehicle in and upon any street or highway at a greater speed than will permit the person to bring it to a stop within the assured clear distance ahead.

(b) It is prima-facie lawful, in the absence of a lower limit declared or established pursuant to Ohio R.C. 4511.21 by the Ohio Director of Transportation or Council, for the operator of a motor vehicle to operate the same at a speed not exceeding the following:

- (1) A. Twenty miles per hour in school zones during school recess and while children are going to or leaving school during the opening or closing hours, and when twenty miles per hour school speed limit signs are erected; except, that on controlled-access highways and expressways, if the right-of-way line fence has been erected without pedestrian opening, the speed shall be governed by subsection (b)(4) hereof and on freeways, if the right-of-way line fence has been erected without pedestrian opening, the speed shall be governed by subsection (b)(7) hereof. - C. As used in this section, "school zone" means that portion of a street or highway passing a school fronting upon the street or highway that is encompassed by projecting the school property lines to the fronting street or highway. Upon request from the Municipality for streets and highways under its jurisdiction, the Ohio Director of Transportation may extend the traditional school zone boundaries.  1. The distance encompassed by projecting the school building lines normal to the fronting highway and extending a distance of 300 feet on each approach direction;
 2. The distance encompassed by projecting the school property lines intersecting the fronting highway and extending a distance of 300 feet on each approach direction;

3. The distance encompassed by the special marking of the pavement for a principal school pupil crosswalk plus a distance of 300 feet on each approach direction of highway;

Such a school zone shall include the distance encompassed by the crosswalk and extending 300 feet on each approach direction of the State route;

- (12) Sixty-five miles per hour for operators of any motor vehicle at all times on all portions of freeways in urban areas as determined by the Director and that are part of the interstate system and are part of an interstate freeway outerbelt;

(c) It is prima-facie unlawful for any person to exceed any of the speed limitations in subsection (b)(1)A. to (b)(6) hereof, or any declared or established pursuant to this section by the Director or local authorities and it is unlawful for any person to exceed any of the speed limitations in subsection (d) hereof. No person shall be convicted of more than one violation of this section for the same conduct, although violations of more than one provision of this section may be charged in the alternative in a single affidavit.

- (d) No person shall operate a motor vehicle upon a street or highway as follows:
- (1) At a speed exceeding fifty-five miles per hour, except upon a highway, expressway or freeway as provided in subsection (b)(8), (9), (10) and (12) hereof;

(e) In every charge of violation of this section the affidavit and warrant shall specify the time, place and speed at which the defendant is alleged to have driven, and in charges made in reliance upon subsection (c) hereof also the speed which subsections (b)(1)A. to (b)(6) hereof, or a limit declared or established pursuant to this section declares is prima-facie lawful at the time and place of such alleged violation, except that in affidavits where a person is alleged to have driven at a greater speed than will permit the person to bring the vehicle to a stop within the assured clear distance ahead the affidavit and warrant need not specify the speed at which the defendant is alleged to have driven.

(f) When a speed in excess of both a prima-facie limitation and a limitation in subsection (d) hereof is alleged, the defendant shall be charged in a single affidavit, alleging a single act, with a violation indicated of both subsections (b)(1)A. to (b)(6) hereof, or of a limit declared or established pursuant to this section by the Director or local authorities, and of the limitation in subsection (d) hereof. If the court finds a violation of subsection (b)(1)A. to (b)(6) hereof, or a limit declared or established pursuant to this section has occurred, it shall enter a judgment of conviction under such subsection and dismiss the charge under subsection (d) hereof. If it finds no violation of subsections (b)(1)A. to (b)(6) hereof or a limit declared or established pursuant to this section, it shall then consider whether the evidence supports a conviction under subsection (d) hereof.

(g) Points shall be assessed for violation of a limitation under subsection (d) hereof in accordance with Ohio R.C. 4510.036.

(h) Whenever, in accordance with Ohio R.C. 4511.21 or this section, the speed limitations as established herein have been altered, either higher or lower, and the appropriate signs giving notice have been erected as required, operators of motor vehicles shall be governed by the speed limitations set forth on such signs. It is prima-facie unlawful for any person to exceed the speed limits posted upon such signs.
