

# Public Open House

## *Take this opportunity to provide your comments on the South Limestone Corridor Study*

The South Limestone Corridor Study will review current and future conditions in the corridor related to traffic safety, traffic flow, pedestrian movement, and bicycling. The plan will establish a vision, goals, and objectives for the corridor; and identify improvements needed to improve the economic potential and quality of life in the corridor.

**When: Thursday, May 26, 2016  
4:00 – 7:00 p.m.**

*\*A brief presentation will be given at 4:30 and 6:00 p.m.\**

**Where: Global Impact Stem Academy  
Cafeteria  
700 South Limestone Street  
Springfield, OH**

**Public participation is a key component. The public is invited to help the study team better understand the current corridor conditions and problems, and contribute ideas for improvements.**

*More information on the project can be found at [www.clarktcc.com](http://www.clarktcc.com)*
