A Springfield Special Report!

SPRINGFIELD, OH — (June XX, 2016) — A few nights ago, Michele, a Springfield Resident, was witness to a vicious dog wreaking havoc on Broadway Street. She states that the dog, “couldn’t have weighed more than 15 pounds, but he attacked 3 different dogs much bigger than him.” She also claims he was filthy and, “covered in blood”. The dog had also attacked a woman on Maiden Lane, the next street over. Officers Kyle Schaffer and Mike Fredendall responded to the scene and were able to put the dog on a leash and alert the Humane Society, who then came to take the dog away. Michele is grateful to the officers for their handling of the situation: “You don’t always hear about them unfortunately” she said, “we really appreciate them and thank them!”. Remember that no matter how big or small your emergency is; the Springfield City Police Department will always be there to help.
