

17th Annual Global Education Calendar

Dear Advertiser:

You have an opportunity to advertise in our 2018-19 Global Education Calendar. This full color 12 month calendar will be printed in August, 2018. Our goal is to distribute 4,000 copies in the community. Your \$500 contribution will pay for three ads, located on three different pages in the calendar. A \$200 contribution will pay for one ad, located on one calendar page. The ads are approximately 2 1/4" x 2 1/4".

Please submit your ad via electronic media (email or CD). If you do not have your ad available in electronic format, we will create a small ad with your business name, ad and phone number. You may submit short text for the ad. If you have a logo you want in the ad, please submit it in electronic form (CD or email). Make your check payable to: The City of Springfield: Global Education Calendar.

Ads will be available on a first come, first served basis. Please let us know your intentions as soon as possible to assure your space in our calendar. If you have a specific month(s) request for your ad, please let us know that also.
