City Hosting Discussion About Snow and Ice Removal

SPRINGFIELD, OH (Oct. 1, 2018) — City officials will hold a public meeting Wednesday, Oct. 3, for a discussion on snow and ice removal.

“As the winter season approaches, we want to take this opportunity to inform residents of our process for snow and ice removal,” said Springfield City Service Director Chris Moore. “We’ll talk about how we prepare, what we do to keep roadways clear and safe, and take questions from residents.”

The City stocks 3,000 tons of salt and maintains a fleet of over 20 snow plows in preparation for the winter season.

Wednesday’s meeting will begin at 6 p.m. at the City Service Center.
