Police Caution Public Against Leaving Vehicles Unattended

SPRINGFIELD, OH (Dec. 19, 2018) — Investigators with the Springfield Police Division are warning residents against leaving their vehicles unattended following 10 auto thefts in two weeks.

Police are reminding the public to remain in their vehicles while warming them up in cold weather. Leaving a vehicle running and unattended leaves it more vulnerable to theft, officials warn.

The car thefts have occurred throughout the city. Anyone with information about the thefts is asked to call the Springfield Police Division at (937) 324-7716.
