Parking Lot to Close for Garage Construction

SPRINGFIELD, OH (June 4, 2019) — The City-owned parking lot located at North Fountain Avenue and West Columbia Street will close at 10 p.m. Wednesday, June 26, in preparation for construction of the downtown parking garage.

Those currently using the lot at Fountain Avenue and Columbia Street should begin making alternative parking arrangements beginning Thursday, June 27.

Construction will begin on a three-story parking garage that will have 305 parking spaces and more than 3,000 square feet of first-floor retail space to face the existing storefronts on Fountain Avenue.

The lot will remain closed for the duration of the project, which is expected to be complete in April of 2020.
