Sharing Our Roots – Growing Springfield Together...
My Story, Your Story, Our Story.

Since the beginning, we have chosen themes that illuminate our global and ethnic cultures. For our 18th year, we plan to share our personal stories and roots that intersect as we live together in community. We hope you’ll join us in attending, listening and sharing your own story to help us all accept and better understand one another as global citizens, residing in Springfield together.

- **Thursday, September 12, 6:30 pm.** Sharing Our Roots: Growing Springfield Together – Cultural Stories of CultureFest. Room 105, Shouvlin Center at Wittenberg University, 737 N. Fountain Ave.
