#### **City to Distribute Business Tool Kits to Area Small Businesses**

The City of Springfield will distribute Business Tool Kits to local small businesses in a shared effort to help businesses stay safe during the COVID-19 pandemic. These kits are being provided by JobsOhio and the City's regional partner, the Dayton Development Coalition.

The free kits are available to Springfield businesses of 100 people or less.

"The COVID-19 pandemic is effecting every facet of life in our community, and small businesses have struggled as well. As these businesses are opening up their doors again, we're proud to be part of an initiative to help everyone stay safe and healthy," said Bryan Heck, Springfield City Manager. "We stand with our small businesses and community partners to do what is needed during these extraordinary times."

The kits contain:

- 100 disposable, 3-ply face coverings
- 10 N95 masks
- 1 bottle of hand sanitizer

Officials will deliver the kits to small businesses Tuesday afternoon.
