

# SPRINGFIELD BUSINESS INCOME TAX RETURN

## GENERAL INFORMATION

### 1. WHO MUST FILE

All corporations, partnerships, trusts, estates or other entities conducting business in, performing services in, or deriving income (or loss) from activities in the City of Springfield.

Partnerships, joint ventures, associations or other businesses owned by two or more persons and conducting business in the City of Springfield are required to file city returns on an entity basis.

A return must be filed by any entity engaged in a business or profession in the City of Springfield. A return shall be filed whether or not there is tax due.

Form BTR-S is for use by Business entities only. Individual residents or non-residents having City of Springfield income (or losses), who file as sole proprietors, use Federal Schedule C, or have other types of income must obtain an individual form from the Division of Taxation.

### 2. STATUS CHANGES

Taxpayers with name, address or other status changes must file those changes with the Division of Taxation within 30 days of the change.

### 3. AMENDED RETURNS

An amended return is necessary for any year in which an amended Federal return is filed or in which your Federal tax liability has changed. An amended return must be filed within ninety (90) days of the filing date of any amended Federal return and must include a copy of the amended Federal return.

### 4. WHEN AND WHERE TO FILE

Returns must be filed within 3 1/2 months after the fiscal year-end with the City of Springfield, Division of Taxation, PO Box 5200, Springfield, OH 45501.

Any tax due must be paid when filed. Checks or money orders should be made payable to the City of Springfield and should accompany this return.

Incomplete returns (returns received without signatures or without proper supporting information) may not be accepted; thereby creating potential penalty and/or interest assessments or delays in refund processing.

### 5. EXTENSIONS

Any taxpayer that has duly requested an automatic six month Federal extension shall automatically receive the same extension for filing the Springfield return. A copy of the Federal extension form must be attached to the Springfield return when it is filed. An extension of time to file is not an extension of time to pay. Interest and penalties will be imposed on any tax balance remaining due after the original due date.

The Ordinance makes no provision for extension on the current year's estimate, which must be filed and any amount due paid by the due date.

### 6. NET OPERATING LOSSES \*\*\*NEW\*\*\*

In accordance with Ohio Revised Code, Chapter 718.01, pre-apportioned net operating losses (NOL) incurred in tax years beginning in 2017 and after are allowed a five (5) year carry-forward period. Such losses are also subject to a 50% limitation of the deduction as otherwise allowed for tax years beginning in 2018 through 2022, i.e., the allowable NOL deduction for tax years beginning in 2018 through 2022, will be the lesser of 50% of the prior year pre-apportioned NOL or 50% of the current year pre-apportioned net profit.

### 7. CONSOLIDATED RETURNS

The Division of Taxation may require or disallow the filing of a consolidated return when certain transactions, apportionment of expenses, or other devices appear to distort the net profits allocable to the City of Springfield. To produce a fair and proper allocation of net profits, such transactions may be adjusted.

### 8. ROUNDING OFF TO WHOLE DOLLARS

Rounding off to whole dollars is permitted. Eliminate any amount less than fifty cents and increase any amount from fifty cents through ninety-nine cents to the next higher dollar.

### 9. DECLARATION OF ESTIMATED TAX

An annual declaration of estimated tax must be filed by every business entity who estimates owing more than \$200. The declaration must be filed on or before the 15<sup>th</sup> day of the fourth month of the taxable year, and must be accompanied by at least 22.5% of the estimated tax due. The remaining installments due dates are: 15<sup>th</sup> day of the sixth month of the taxable year; 15<sup>th</sup> day of the ninth of the taxable year; and the 15<sup>th</sup> day of the twelfth month of the taxable year. Failure to file and pay estimated taxes in timely quarterly installments may result in penalty and interest charges.

Penalty and interest charges will not be made when the total estimated tax payments, received in timely quarterly installments, are at least 90% of the final tax liability or are at least 100% of the previous year final tax liability, and paid by the 15<sup>th</sup> day of the twelfth month of the taxable year.

### 10. PENALTIES AND INTEREST FOR TAX YEARS 2016 AND FORWARD

Filing year Penalties are charged:

- For failure to pay the tax when due: (15% of tax due).
- For late filing of tax returns: \$25.00 per month for each month the return is late, up to a maximum of \$150.00.

Interest is charged for failure to pay the tax when due. Interest is assessed on any tax liability remaining unpaid after the due date at the federal short term rate plus 5%.

For Under-Payment of Estimated Tax - If at least 90% of the tax liability or 100% of the prior year tax liability is not paid by the fifteenth day of the twelfth month of the fiscal year, penalty and interest will be assessed on the difference between 90% of the tax liability and the total payments.

### 11. SUPPORTING DOCUMENTS

Documentation is necessary to verify all amounts of taxable or non-taxable incomes, expenses, and deductions as applicable. Additional forms, schedules, or computations may also be needed to support your City of Springfield tax return in certain circumstances.
